 - (b) allocate to the assets attributable to each class of C Shares such proportion of the income, expenses or liabilities of the Company incurred or accrued between the C Share Issue Date and the Calculation Time (both dates inclusive) as the Directors fairly consider to be attributable to the C Shares of the relevant class including, without prejudice to the generality of the foregoing, those liabilities, if any, specifically identified in the definition of "Conversion Ratio" in Article 1(2); and
 - (c) manage or, where appropriate, give appropriate instructions to the Administrator to manage the Company's assets so that such undertakings can be complied with by the Company.

- (3) The special rights conferred upon holders of any shares or class of shares issued with preferred, deferred or other rights shall (unless otherwise expressly provided by the conditions of issue of such shares) be deemed not to be varied by: (a) the creation or issue of further shares ranking pari passu therewith; or (b) the purchase or redemption by the Company of any of its shares (or the holding of such shares as treasury shares).
- (4) The rights attached to any class of shares shall not be deemed to be varied by any securities in the capital of the Company becoming, or ceasing to be, a participating security.
- (5) Shares in the capital of the Company will not be treated as a separate class of shares either by becoming, or by ceasing to be, a participating security or held in uncertificated form.

6. SHARES

- (1) The Shares and C Shares shall be at the disposal of the Directors who may subject to the provisions of the Law and the Listing Rules and to Article 3 allot, grant options over or otherwise deal with or dispose of them to such persons at such times and generally on such terms and conditions and for such consideration (cash or otherwise) as they think proper. Save as provided in the Law each Share and C Share in the Company shall be distinguished by its appropriate number.
- (2) The Company shall keep a Register in accordance with the provisions of the Law.
- (3) Unless the conditions of allotment shall otherwise provide or the Directors have determined that the relevant class of Shares or C Shares shall be issued in or converted into uncertificated form pursuant to the provisions of the Regulations and the Listing Rules, every person whose name is entered as a member in the Register shall be entitled without payment to a certificate under the Seal specifying the Share(s) or C Share(s) held by him and the amount paid up thereon and shall otherwise comply with the requirements of the UKLA. In respect of Share(s) or C Share(s) held jointly by several persons the Company shall not be bound to issue more than one certificate and delivery of a certificate for a Share or C Share to one of several joint holders shall be sufficient delivery to all and certificates shall be completed and be ready for delivery within two months after the allotment of the relevant Shares or C Shares or the date on which a transfer is lodged with the Company.
- (4) If a share certificate be worn out defaced lost or destroyed a duplicate certificate may be issued on payment of such fee (if any) not exceeding ten pounds and on such terms (if any) as to evidence and indemnity as the Directors think fit.

7. REDEMPTION

- (1) Neither Shares nor C Shares are redeemable at the option of the holder thereof.
- (2) The Company may, at its discretion, redeem all or any Shares then in issue in accordance with such procedures as the Directors may determine (subject to the facility and procedures of CREST) and in consideration of the payment of such redemption price as the Directors may determine, provided that such redemption of Shares (including the

procedures and method of calculating the redemption price) shall be approved by an Ordinary Resolution of the Company.

- (3) At any time prior to Conversion, the Company may, at its discretion, redeem all or any of the C Shares of a particular class then in issue by agreement with any holder(s) thereof in accordance with such procedures as the Directors may determine (subject to the facility and procedures of CREST) and in consideration of the payment of such redemption price as may be agreed between the Company and the relevant holder(s) of the relevant class of C Shares.
- (4) Any Shares redeemed by the Company under this Article shall either be cancelled or held as treasury shares.

8. COMPULSORY REDEMPTION

- (1) Subject to the provisions of the Law and as hereinafter provided the Directors may, in their absolute discretion, on any Compulsory Redemption Date direct that the Company redeem compulsorily some or all of the Shares of each class in issue on such date. Shares of each class will be redeemed at the relevant Compulsory Redemption Price from all Shareholders of that class pro-rata to their existing holdings of Shares of the relevant class on the relevant Compulsory Redemption Record Date.
- (2) Where pursuant to Article 8(1), the Directors determine to redeem compulsorily all or any number of Shares, they will, not less than 10 Business Days before any relevant Compulsory Redemption Date, make an announcement via RIS (a "**Compulsory Redemption Announcement**") of the particulars of the redemption to be effected on the relevant Compulsory Redemption Date. A Compulsory Redemption Announcement making an announcement to that effect may be withdrawn by the Company at any time up to 5.00 p.m. on the Business Day immediately preceding the relevant Compulsory Redemption Date.
- (3) The Compulsory Redemption Announcement will include the following details:
 - (a) the aggregate amount to be distributed to Shareholders;
 - (b) the Relevant Percentage of each class of Shares to be redeemed (pro rata as between the holders of Shares of the relevant class as at the Compulsory Redemption Record Date);
 - (c) a timetable for the redemption and distribution of redemption proceeds, including the Compulsory Redemption Date and the Compulsory Redemption Record Date;
 - (d) the Compulsory Redemption Price per Share in respect of each class of Shares;
 - (e) a new ISIN in respect of each class of Shares which will continue to be listed following the relevant Compulsory Redemption Date; and
 - (f) any additional information that the Board deems necessary to advise Shareholders in connection with the redemption.
- (4) A redemption specified in a Compulsory Redemption Announcement will become effective automatically on the Compulsory Redemption Date specified in that Compulsory Redemption Announcement or such later date as the Directors may otherwise specify.
- (5) The redemption monies payable to Shareholders in respect of any compulsory redemption will be effected either through CREST (in the case of shares held in uncertificated form)

or by cheque (in the case of shares held in certificated form) within 14 Business Days of the relevant Compulsory Redemption Date, or as soon as practicable thereafter. Shareholders will be paid their redemption proceeds in the currency in which their Shares are denominated or as otherwise determined by the Directors.

- (6) The Company and the Directors shall not be liable for any loss or damage suffered or incurred by any holder of Shares or any other person as a result of or arising out of later settlement, howsoever such loss or damage may arise.
- (7) In the case of the compulsory redemption of:
 - (a) certificated Shares, Shareholders' existing Share certificates will be cancelled and new Share certificates, if applicable, will be issued to each such Shareholder for the balance of their shareholding after each Compulsory Redemption Date; and
 - (b) uncertificated Shares held through CREST, the existing ISIN will be disabled, and a new ISIN will on the next Business Day following the Compulsory Redemption Date be applied to the remaining Shares that have not been compulsorily redeemed. The new ISIN will be notified to shareholders in the Compulsory Redemption Announcement.
- (8) The amount payable by the Company upon compulsory redemption of Shares shall be paid out of funds lawfully available for such purpose. Where the Relevant Percentage of the Shares of a class held by a Shareholder is not a whole number of Shares, the number of Shares of the relevant class of Shares held by such Shareholder to be redeemed compulsorily on a Compulsory Redemption Date shall be rounded down to the nearest whole number of Shares. Any Share redeemed compulsorily will be cancelled unless held as a treasury share.
- (9) Upon the compulsory redemption of a Share of any class being effected pursuant to these Articles, the holder thereof shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has become due and payable in respect thereof prior to such redemption being effected and the right to receive the proceeds of such redemption) and accordingly his name shall be removed from the Register with respect thereto.

9. CONVERSION OF SHARES

- (1) **(A) Until 1 June 2022 only**, at the first Business Day of each month (each first Business Day of the relevant month being a "**Conversion Calculation Date**"), Shareholders may convert Shares of any class into Shares of any other class (of which Shares are in issue at the relevant time) by giving not less than 10 Business Days' notice to the Company in advance of such Conversion Calculation Date, either through submission of the relevant instruction mechanism (for Shareholders holding Shares in uncertificated form) or through submission of a conversion notice and the return of the relevant Share certificate to the Company's registrars.

(B) With effect from 1 July 2022, at the first Business Days of January and July of each year (each first Business Day of January or July of each year being a "**Conversion Calculation Date**"), Shareholders may convert Shares of any class into Shares of any other class (of which Shares are in issue at the relevant time) by giving not less than 10 Business Days' notice to the Company in advance of such Conversion Calculation Date, either through submission of the relevant instruction mechanism (for Shareholders holding Shares in uncertificated form) or through submission of a conversion notice and the return of the relevant Share certificate to the Company's registrars.

- (2) Conversion of Shares will be effected on the basis of the ratio of the last reported Net Asset Value per Share of the class of Shares held (calculated in Euro less the costs of effecting such conversion and adjusted to reflect the impact of adjusting any currency hedging arrangements and taking account of any dividends resolved to be paid), to the last reported Net Asset Value per Share of the class of Shares into which they will be converted (also calculated in Euro, and each as at the relevant Conversion Calculation Date) in each case, for the avoidance of doubt, such Net Asset Value per Share shall be calculated inclusive of accrued income.
- (3) The Directors may amend the process for conversion (including the frequency of class conversions and the procedure for giving notice of conversion) in such manner as they see fit including, without limitation, for the purposes of facilitating conversions of Shares in uncertificated or certificated form or to facilitate electronic communications and to take account of dividends payable on any class of Shares. Any conversion notice once given shall be irrevocable without the consent of the Directors. The date on which conversion shall take place shall be a date determined by the Directors being not more than 30 days after the relevant Conversion Calculation Date.
- (4) Conversion of Shares shall be effected by way of redesignation of Shares of one currency class into the appropriate number of Shares of another currency class or in any such other manner as the Directors may determine in accordance with the Law PROVIDED ALWAYS that the Directors may deal in such manner as they think fit with fractional entitlements to Shares, including, without prejudice to the generality of the foregoing, selling any such Shares representing such fractional entitlements for the benefit of the holder or, if the value of such entitlement does not exceed €5.00 (in the case of the Euro Shares) or £5.00 (in the case of the Sterling Shares), retaining the proceeds for the benefit of the Company and for such purposes any Director is hereby authorised as agent on behalf of the relevant holder of Shares, in the case of a share in certificated form, to execute any stock transfer and to do any other act or thing as may be required to give effect to the same including, in the case of a share in uncertificated form, the giving of directions to or on behalf of the relevant Share holder who shall be bound by them.
- (5) The ability to convert Shares from one class into any other class may be suspended at any time that the calculation and publication of the Net Asset Value per Share is suspended.
- (6) Should the Directors determine that the continued existence of a class of Shares would be impractical due to, for example, where Article 38 applies or where the number of Shares of any class in public hands (as such phrase is used in Listing Rule 6.1.19(4)R) (as may be amended, replaced or supplemented from time to time) has fallen below 25 per cent. of the total number of issued Shares of that class, the Directors shall have the right, at their discretion, to compulsorily convert the Shares of such class into Shares of the class then in issue with the greatest aggregate Net Asset Value per Share in Euro terms as at the corresponding Valuation Date. Any such compulsory conversion will take place in substantially the same manner specified for voluntary conversion in accordance with, to the extent applicable, Articles 9(1) to 9(4) above.
- (7) Notwithstanding any other provision of this Article 9, the Directors may at their absolute discretion determine to suspend (either temporarily or permanently) conversions between classes of Shares. Where the Directors determine to suspend or reinstate conversions between classes of Shares, an announcement of such suspension or reinstatement will be made to Shareholders via RIS.

10. C SHARE CONVERSION

- (1) The Directors shall procure that:

- (a) the Administrator shall be requested to calculate, within 10 Business Days after the Calculation Date, the Conversion Ratio as at the Calculation Date and the number of Correspondent Shares to which each holder of C Shares of the relevant class shall be entitled on Conversion; and
- (b) the Auditor, or failing which an independent accountant selected for the purpose by the Directors, shall be requested to report, within 15 Business Days after the date on which the Conversion Ratio has been calculated, that such calculations:
 - (i) have been performed in accordance with the Articles; and
 - (ii) are arithmetically accurate,

whereupon such calculations shall become final and binding on the Company, all holders of Correspondent Shares and all holder of C Shares of the relevant C Share class.

- (2) The Directors shall further procure that, as soon as practicable following such certification, a RIS announcement is made advising holders of C Shares of that class of the Conversion Date, the Conversion Ratio and the aggregate number of new Shares of the Correspondent Class to which holders of C Shares of that class are entitled on Conversion.
- (3) The Shares of the Correspondent Class arising upon Conversion shall be divided amongst the former holders of the C Shares of the relevant class pro rata according to their respective former holdings of C Shares of the relevant class PROVIDED ALWAYS that the Directors may deal in such manner as they think fit with fractional entitlements to Correspondent Shares, including, without prejudice to the generality of the foregoing, selling any such Correspondent Shares representing such fractional entitlements for the benefit of the holder or, if the value of such entitlement does not exceed €5.00 (in the case of the Euro Shares) or £5.00 (in the case of the Sterling Shares), retaining the proceeds for the benefit of the Company and for such purposes any Director is hereby authorised as agent on behalf of the former holders of C Shares, in the case of a share in certificated form, to execute any stock transfer and to do any other act or thing as may be required to give effect to the same including, in the case of a share in uncertificated form, the giving of directions to or on behalf of the former C Share holder who shall be bound by them.
- (4) Forthwith upon Conversion, any certificates relating to the C Shares of the relevant class shall be cancelled and the Company shall issue to each such former C Share holder new certificates in respect of the Correspondent Shares which have arisen upon Conversion unless such former C Share holder elects to hold their Correspondent Shares in uncertificated form.
- (5) The Company shall use its reasonable endeavours to procure that upon Conversion the new Shares are admitted to the Official List.
- (6) In connection with any issue of a C Share class, the Directors shall state the Specified Conversion Criteria in:
 - (a) any relevant Disclosure Document or press announcement published; and
 - (b) in a RIS release,
 at the time of offer of such C Shares for subscription.

11. MANAGEMENT SHARES

- (1) Management Shares shall carry the right to receive notice of and attend general meetings

of the Company but shall only have the right to vote when there are no other voting class of share of the Company in issue.

- (2) The holders of the Management Shares are entitled to receive an annual cumulative dividend at a fixed rate of £10 per Management Share (the "**Preferred Dividend**"), irrespective of whether their Management Shares are denominated in Sterling or in any other currency, but the Management Shares shall confer no other right to share in the profits of the Company. The Preferred Dividend shall accrue daily and be payable at the same time and in priority to any dividend payable to the holders of the Shares and the C Shares, the first dividend on any Management Share to be payable on the first such payment date falling after its date of issue, in respect of the period from the date of issue to that payment date. If the Company is unable to pay in full on the due date any Preferred Dividend then it shall carry forward and become payable as soon as the Company is able to pay such Preferred Dividend.
- (3) In the event of a return of capital or winding-up of the Company (other than by way of a repurchase or redemption of Shares in accordance with the provisions of these Articles and the Law) there shall be paid to the holders of the Management Shares the amount paid up on their Management Shares. Such amounts on a return of capital or winding-up shall be paid in priority to any amounts payable to holders of the Shares and the C Shares.
- (4) The Directors may at any time direct that any Management Shares not held by the Investment Manager, or such other entity as the Directors shall determine from time to time, shall be compulsorily purchased from the holder thereof as determined by the Directors in the following manner:-
 - (a) the Directors shall serve a notice (hereinafter called a "**Purchase Notice**") upon the person appearing in the Register as the holder of the Management Shares to be purchased (the "**Vendor**") specifying the Management Shares to be purchased as aforesaid, the proposed purchaser, the price to be paid for such shares, the person in whose favour such holder must execute a transfer of such shares and the place at which the purchase price in respect of such shares is payable. Any Purchase Notice may be served upon the Vendor by mailing the same in a pre-paid registered envelope addressed to the Vendor at his address shown in the Register. The Vendor shall thereupon forthwith be obliged to deliver to the Company within 10 days from the date of the Purchase Notice the certificate(s) (if any) representing the Management Shares specified in the Purchase Notice together with a duly executed transfer thereof in favour of the person specified in the Purchase Notice;
 - (b) the price payable for Management Shares transferred pursuant to this Article shall be £1;
 - (c) in the event of the Vendor failing to carry out the sale of any Management Shares which he shall have become bound to transfer as aforesaid, the Directors may authorise some person to execute a transfer of any such share(s) in accordance with the direction of the Directors and may give a good receipt for the purchase price of such shares, and may register the transferee or transferees as holder or holders thereof and issue to him or them a certificate for the same and thereupon the transferee or transferees shall become indefeasibly entitled thereto. The Vendor shall in such case be bound to deliver up his certificate (if any) for the said shares, and on such delivery shall be entitled to receive the purchase price without interest.

12. LIEN

- (1) The Company shall have a lien on every Share or C Share (not being a fully paid Share or C Share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that Share or C Share and the Company shall also have a lien on all Shares or C Shares (other than fully paid Shares or C Shares) standing registered in the name of a single person for all moneys presently payable by him or his estate to the Company but the Directors may at any time declare any Shares or C Shares to be wholly or in part exempt from the provisions of this Article. The Company's lien (if any) on a Share or C Share shall extend to all dividends payable thereon.
- (2) The Company may sell in such manner as the Directors think fit any Shares or C Shares on which the Company has a lien but no sale shall be made unless some sum in respect of which the lien exists is payable nor until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable has been given to the registered holder for the time being of the Share or C Share or the person entitled by reason of his death or bankruptcy to the Share or C Share. For the purpose of giving effect to any such sale the Directors may authorise some person to transfer to the purchaser thereof the Shares or C Shares so sold.
- (3) The proceeds of sale shall be applied in payment of such part of the amount in respect of which the lien exists as is presently payable and the residue shall (subject to a like lien for sums not presently payable as existed upon the Shares or C Shares prior to the sale) be paid to the person entitled to the Shares or C Shares at the date of the sale. The purchaser shall be registered as the holder of the Shares or C Shares and he shall not be bound to see to the application of the purchase money nor shall his title to the Shares or C Shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

13. CALLS ON SHARES

- (1) Subject to the terms of allotment the Directors may make calls upon the Members in respect of any moneys unpaid on their Shares or C Shares and each Member shall (subject to receiving at least fourteen clear days' notice specifying when and where payment is to be made) pay to the Company as required by the notice the amount called on his Shares or C Shares. A call may be required to be paid by instalments. A call may, before receipt by the Company of any sum due thereunder, be revoked in whole or part and payment of a call may be postponed in whole or part. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the Shares or C Shares in respect whereof the call was made.
- (2) A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed and proof of the resolution shall be sufficient evidence of the call having been made.
- (3) The joint holders of a Share or C Share shall be jointly and severally liable to pay all calls and other moneys due in respect thereof.
- (4) If a sum called in respect of a Share or C Share is not paid before or on the day appointed for payment thereof the person from whom the sum is due shall pay interest upon the sum at a rate fixed by the Directors from the day appointed for the payment thereof to the time of the actual payment but the Directors shall be at liberty to waive the payment of that interest wholly or in part.
- (5) Any sum which by the terms of allotment of a Share or C Share is made payable upon allotment or at any fixed date shall for all the purposes of these Articles (save as herein otherwise expressly provided) be deemed to be a call duly made and payable on the date fixed for payment and in case of non-payment the provisions of these Articles as to payment of interest and expenses forfeiture and the like and all other relevant provisions

of these Articles shall apply as if the same were a call duly made and notified as hereby provided.

- (6) The provisions of these Articles as to payment of interest shall apply in the case of non-payment of any sum which by the terms of issue of a Share or C Share becomes payable at a fixed time as if the same had become payable by virtue of a call duly made and notified.
- (7) The Company may if the Directors think fit receive from any Member willing to advance the same all or any part of the money uncalled and unpaid upon any Shares or C Shares held by him and upon all or any of the moneys so advanced may (until the same would but for such advance become presently payable) pay interest at such rate (not exceeding without the sanction of the Company in general meeting ten per centum per annum) as may be agreed upon between the Member paying the sum in advance and the Directors.

14. INTERESTS IN SHARES

- (1) The Directors shall have power by notice in writing (a "**Disclosure Notice**") to require any holder of Shares or C Shares to disclose to the Company the identity of any person other than the holder (an "**interested party**") who has any interest (whether direct or indirect) in the Shares or C Shares held by the holder (or has been so interested at any time during the three years immediately preceding the date on which the Disclosure Notice is issued) and the nature of such interest.
- (2) Any such notice shall require any information in response to such notice to be given in writing within such reasonable time as the Directors shall determine.
- (3) The Company shall maintain a register of interested parties to which the provisions of Articles 41 and 71 of the Law shall apply mutatis mutandis and whenever in pursuance of a requirement imposed on a shareholder as aforesaid the Company is informed of an interested party the identity of the interested party and the nature of the interest shall be promptly inscribed therein together with the date of the request.
- (4) The Directors may be required to exercise their powers under Article 14(1) on the requisition of a Shareholder holding at the date of the deposit of the requisition not less than one-tenth of the total voting rights attaching to the Shares in issue at the relevant time.
- (5) The requisition must:-
 - (a) state that the requisitionists are requiring the Company to exercise its powers under this Article;
 - (b) specify the manner in which they require those powers to be exercised; and
 - (c) give reasonable grounds for requiring the Company to exercise those powers in the manner specified; and
 - (d) must be signed by the requisitionists and deposited at the office.
- (6) The requisition may consist of several documents in like form each signed by one or more requisitionists.
- (7) On the deposit of a requisition complying with this Article it is the Directors' duty to exercise their powers under Article 14(1) in the manner specified in the requisition.

- (8) If a holder of Shares or C Shares has been duly served with a Disclosure Notice and is in default for the prescribed period in supplying to the Company the information thereby required, then the Directors may in their absolute discretion at any time thereafter serve a notice (a "**direction notice**") upon such Shareholder as follows:
- (a) a direction notice may direct that, in respect of:
 - (i) the Shares or C Shares of the Shareholder recorded in the Register which comprise or include the Shares or C Shares in relation to which the default has occurred (all or the relevant number as appropriate of such Shares or C Shares being the "**default shares**"); and
 - (ii) any other Shares or C Shares held by the recipient of the direction notice;

the holder shall not be entitled to vote at a general meeting or meeting of the holders of any class of Shares or C Shares of the Company either personally or by a duly authorised representative (if a corporation) or by proxy or to exercise any other right conferred by membership in relation to meetings of the Company or of class meetings of the Shares or C Shares; and
 - (b) where the default shares represent 0.25 per cent or more of the number of the issued Shares or C Shares of the class of Shares or C Shares concerned, then the direction notice may additionally direct that:
 - (i) in respect of the default shares, any dividend or part thereof or other money which would otherwise be payable on such Shares or C Shares shall be retained by the Company without any liability to pay interest thereon when such money is finally paid to the holder;
 - (ii) no transfer other than an approved transfer as set out in Article 14(7)(c) of any of the Shares or C Shares held by such Member shall be registered unless:
 - (1) the shareholder is not himself in default as regards supplying the information requested; and
 - (2) the transfer is of part only of the shareholder's holding and when presented for registration is accompanied by a certificate by the shareholder in a form satisfactory to the Directors to the effect that after due and careful enquiry the shareholder is satisfied that no person in default as regards supplying such information is interested in any of the Shares or C Shares the subject of the transfer.
 - (c) The Company shall send to each other person appearing to be interested in the Shares or C Shares the subject of any direction notice a copy of the notice, but the failure or omission by the Company to do so shall not invalidate such notice.
- (9) If Shares or C Shares are issued to a Member as a result of that Member holding other Shares or C Shares in the Company and if the Shares or C Shares in respect of which the new Shares or C Shares are issued are default shares in respect of which the Member is for the time being subject to particular restrictions, the new Shares or C Shares shall on issue become subject to the same restrictions whilst held by that Member as such default shares. For this purpose, Shares or C Shares which the Company procures to be offered to Members pro rata (or pro rata ignoring fractional entitlements and Shares or C Shares not offered to certain Members by reason of legal or practical problems associated with

offering Shares or C Shares outside the United Kingdom or Jersey) shall be treated as Shares or C Shares issued as a result of a Member holding other Shares or C Shares in the Company.

- (10) Any direction notice shall have effect in accordance with its terms for as long as the default, in respect of which the direction notice was issued, continues but shall cease to have effect in relation to any Shares or C Shares which are transferred by such Member by means of an approved transfer as set out in Article 14(11)(c). As soon as practical after the direction notice has ceased to have effect (and in any event within 7 days thereafter) the Directors shall procure that the restrictions imposed by Article 14(8) above shall be removed and that dividends and other moneys withheld pursuant to Article 14(8)(b)(i) above are paid to the relevant Member.
- (11) For the purpose of Articles 14(1) to 14(10):
- (a) a person shall be treated as appearing to be interested in any Shares or C Shares if the Member holding such Shares or C Shares has given to the Company a notification which either (a) names such person as being so interested or (b) fails to establish the identities of those interested in the Shares or C Shares and (after taking into account the said notification and any other relevant notification) the Company knows or has reasonable cause to believe that the person in question is or may be interested in the Shares or C Shares;
 - (b) the prescribed period referred to in Article 14(8) in respect of any particular Member is 28 days from the date of service of the said notice in accordance with Article 14(1) except where the default shares represent 0.25 per cent or more of the number of the issued Shares or C Shares of the class of Shares or C Shares concerned in which case the prescribed period shall be 14 days;
 - (c) a transfer of Shares or C Shares is an approved transfer if but only if:
 - (i) it is a transfer of Shares or C Shares to an offeror by way or in pursuance of acceptance of a takeover offer (within the meaning of Article 116 of the Law) in respect of all the issued Shares and C Shares in the Company; or
 - (ii) the Directors are satisfied that the transfer is made pursuant to a sale of the whole of the beneficial ownership of the Shares or C Shares to a party unconnected with the Member and with other persons appearing to be interested in such Shares or C Shares; or
 - (iii) the transfer results from a sale made through a recognised investment exchange (as defined in the Financial Services and Markets Act 2000) or any stock exchange outside the United Kingdom on which the Company's shares are normally traded.

For the above purposes any person referred to in Article 14(13) shall, *mutatis mutandis*, be included amongst the persons who are connected to any person appearing to be interested in such Shares or C Shares.

- (12) Any Member who has given notice of an interested party in accordance with Article 13(2) who subsequently ceases to have any party interested in his Shares or C Shares or has any other person interested in his Shares or C Shares shall notify the Company in writing of the cessation or change in such interest and the Directors shall promptly amend the register of interested parties accordingly.

- (13) For the purposes of Article 14(11)(c) a person shall be treated as being connected with a Member if that person is:-
- (a) a spouse, child (under the age of 18) or step child (under the age of 18) of the Member ; or
 - (b) an associated body corporate which is a company in which the Member alone, or with connected persons (as defined in the Income and Corporation Taxes Act 1988, is directly or indirectly beneficially interested in 20% or more of the nominal value of the equity share capital or is entitled (alone or with connected persons) to exercise or control the exercise of more than 20% of the voting power at general meetings; or
 - (c) a trustee (acting in that capacity) of any trust, the beneficiaries of which include the Member or persons falling within paragraphs (a) or (b) above excluding trustees of an employees' share scheme or pension scheme; or
 - (d) a partner (acting in that capacity) of the Member or persons in categories (a) to (c) above.

15. TRANSFER OF SHARES

- (1) The Company may permit the holding in uncertificated form of one or more classes of shares determined by the Directors for this purpose in order that the transfer of title to any such shares may be effected by means of a computer system in accordance with the Jersey Regulations **PROVIDED THAT** the Register shall be held in Jersey pursuant to Articles 41 and 44 of the Law.
- (2) Unless and until the Directors determine that one or more classes of share may be held in uncertificated form, the shares shall be issued in certificated form and all the provisions of these Articles relating to the issue, holding and surrender of certificates and transfer and transmission of certificated shares shall apply to the same. All of such provisions shall also apply to any shares of a class which the Directors have determined may be held in uncertificated form but where with the approval of the Directors the holder of the relevant shares has notified his wish to hold the relevant holding of shares in registered certificated form.
- (3) Without prejudice to Article 15(1) and 15(2) above the Directors shall have power to implement such arrangements as they may in their absolute discretion think fit in order for any class of shares to be a participating security (subject always to the Regulations and the facilities and requirements of the relevant system concerned). Where they do so, and subject to the Law:-
 - (a) these Articles shall be construed accordingly and shall be deemed to be modified, amended or extended to the extent necessary to ensure that the same are consistent with the provisions of the Jersey Regulations and to the extent this would not conflict with the Jersey Regulations consistent with the provisions of the UK Regulations, to permit the holding of shares of the relevant classes in uncertificated form and the transfer of title to shares of the relevant classes by means of a computer system; and
 - (b) the following provisions of this Article shall commence to have effect immediately prior to the time at which the authorised operator of the relevant system concerned permits the class of shares concerned to be a participating security.
- (4) In relation to any class of shares which is, for the time being, a participating security, and

for so long as such class remains a participating security, subject to the Law, no provision of these Articles shall apply or have effect to the extent that it is in any respect inconsistent with:

- (a) the holding of shares of that class in uncertificated form;
 - (b) the transfer of title of shares of that class by means of a relevant system; or
 - (c) the Jersey Regulations.
- (5) Without prejudice to the generality of Article 15(4) and notwithstanding anything contained in these Articles, where any class of shares is, for the time being, a participating security (such class being referred to hereinafter as the "**Relevant Class**"):
- (a) shares of the Relevant Class may be issued in uncertificated form in accordance with and subject as provided in the Regulations;
 - (b) unless the Directors otherwise determine, shares of the Relevant Class held by the same holder or joint holder in certificated form and uncertificated form shall be treated as separate holdings;
 - (c) shares of the Relevant Class may be changed from uncertificated to certificated form, and from certificated to uncertificated form, in accordance with and subject as provided in the Regulations;
 - (d) title of shares of the Relevant Class which are recorded on the Register as being held in uncertificated form may be transferred by means of the relevant system concerned and accordingly (and in particular but without limitation) Article 15(6) shall not apply in respect of such shares to the extent that such Article requires or contemplates the effecting of a transfer by an instrument in writing and the production of a certificate for the share to be transferred; and
 - (e) the Company shall comply with the provisions of the UK Regulations to the extent applicable.

No other provision of these Articles shall apply so as to require the Company to issue a certificate to any person holding shares of the Relevant Class in uncertificated form.

- (6) Subject to the foregoing any instrument of transfer of a share shall be in writing in any form which the Directors may approve (which shall specify the full name and address of the transferee) and shall be signed by or on behalf of the transferor (and, in the case of any partly paid share, the transferee) and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof.
- (7) Subject to the requirements of the Listing Rules, the Directors may decline to register any transfer of shares prohibited by Article 15(8) and may decline, in their absolute discretion and without giving any reason, to register any transfer of shares unless:
- (a) it is in respect of a share which is fully paid up;
 - (b) the instrument of transfer is left at the office, or at such other place as the Directors may decide, for registration;
 - (c) the instrument of transfer is accompanied by the certificate for the shares to be transferred (if the shares are held in certificated form) and such other evidence (if any) as the Directors may reasonably require to prove the title of the intending

transferor or his right to transfer the shares;

- (d) the instrument of transfer is duly stamped (if so required);
- (e) it is in respect of only one class of shares;
- (f) it is in favour of not more than four transferees jointly; and
- (g) it is not in favour of a minor, infant, bankrupt or person with a mental disorder;

provided in each case such refusal would not prevent dealings from taking place on an open and proper basis on any relevant stock exchange.

If the Directors decline to register a transfer of any share, they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.

- (8) The Directors may, in their absolute discretion, refuse to register a transfer of any Share or C Share to any person it has reason to believe is (i) a Non-Qualified Holder; or (ii) a U.S. Plan Investor, provided that the Directors will not exercise this discretion if to do so would prevent dealings in Shares or C Shares from taking place on an open and proper basis on the London Stock Exchange. Each person acquiring Shares and/or C Shares shall by virtue of such acquisition be deemed to have represented to the Company that he is not a Non-Qualified Holder or a U.S. Plan Investor.
- (9) If any Shares or C Shares are owned directly, indirectly or beneficially by a person believed by the Board of Directors to be a Non-Qualified Holder or a U.S. Plan Investor, the Board of Directors may give notice to such person requiring him either (i) to provide the Board of Directors within 30 days of receipt of such notice with sufficient satisfactory documentary evidence to satisfy the Board of Directors that such person is not a Non-Qualified Holder or a U.S. Plan Investor or (ii) to sell or transfer his Shares or C Shares to a person qualified to own the same within 30 days and within such 30 days to provide the Board of Directors with satisfactory evidence of such sale or transfer. Pending such sale or transfer, the Board may suspend the exercise of any voting or consent rights and rights to receive notice of or attend any meeting of the Company and any rights to receive dividends or other distributions with respect to such Shares or C Shares. Where condition (i) or (ii) is not satisfied within 30 days after the serving of the notice, the person will be deemed, upon the expiration of such 30 days, to have forfeited his Shares or C Shares.
- (10) A forfeited Share or C Share will be deemed to be the property of the Company and may be sold, re- allotted or otherwise disposed of on such terms as the Directors think fit, including (if applicable) with or without all or any part of the amount previously paid on the Share or C Share being credited as paid. At any time before such a sale or disposition the forfeiture process may be cancelled. Unless the Directors shall otherwise determine, no proceeds of any forfeiture will be paid to any person whose Shares or C Shares have been forfeited.
- (11) A person whose Shares or C Shares have been forfeited will cease to be a Shareholder or holder of C Shares in respect of the forfeited Shares or C Shares, respectively but will, notwithstanding the forfeiture and if applicable, remain liable to pay to the Company all monies which at the date of the forfeiture were payable by them to the Company in respect of the Shares or C Shares with interest thereon from the date of forfeiture until payment at such rate (not exceeding 15 per cent. per annum) as the Directors determine and may enforce payment without any allowance for the value of the Shares or C Shares at the time of forfeiture.

- (12) The Directors may accept from any Shareholder or holder of C Shares on such terms as agreed a surrender of any Shares or C Shares in respect of which there is a liability for calls or in circumstances where a Non-Qualified Holder or a U.S. Plan Investor determines that they are not qualified to hold the Shares or C Shares. Any surrendered Share or C Share may be disposed of in the same manner as a forfeited Share or C Share.
- (13) The registration of transfers of Shares or C Shares or of transfers of any class of Shares or C Shares may be suspended at such times and for such periods as the Directors may determine provided always that such registration shall not be suspended, either generally or otherwise, for more than 30 days in any year.
- (14) No fee shall be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any Share or C Share.
- (15) The Company shall be entitled to retain any instrument of transfer of any Share or C Share which is registered, but any instrument of transfer of any Share or C Share which the Directors refuse to register (except in the case of fraud) shall be returned to the person lodging it when notice of the refusal is given.

16. TRANSMISSION OF SHARES

- (1) If a member dies, the survivor or survivors, where the deceased was a joint holder, and the executors, administrators or other legal personal representatives of the deceased, where the deceased was a sole or only surviving holder, shall be the only persons recognised by the Company as having any title to the interest of the deceased in the shares; but nothing herein contained shall release the estate of a deceased member from any liability in respect of any share which had been jointly held by him.
- (2) A minor or an interdict may not become a member of the Company unless the shares were transmitted to him on the death of the holder thereof.
- (3) Any guardian of a minor member and any curator appointed by the Royal Court or other person appointed by a court of competent jurisdiction to administer to the affairs of any Member of unsound mind, and any person becoming entitled to a share in consequence of the death or bankruptcy of a Member may, upon such evidence being produced as the Directors may properly require, elect either to become the registered holder of the share or to have some person nominated by him registered as the holder thereof. If he elects to become the holder he shall give notice to the Company to that effect. If he elects to have another person registered he shall execute an instrument of transfer of the share to that person. All the limitations restrictions and provisions of these Articles relating to the transfer of shares shall apply to the notice or instrument of transfer as if it were an instrument of transfer executed by the Member and as if the Member had been a person of full age or not of unsound mind or as if the death or bankruptcy of the Member had not occurred.
- (4) A person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall have the rights to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as the holder thereof, be entitled in respect of the share to vote at any meeting of the Company or at any separate meeting of the holders of any class of shares in the Company.

17. FORFEITURE OF SHARES

- (1) If a member fails to pay any call or instalment of a call on the day appointed for payment thereof the Company may at any time thereafter during such time as any part of such call or instalment remains unpaid serve a notice on him requiring payment of so much of the

call or instalment as is unpaid together with any interest which may have accrued and any expenses that may have been incurred by reason of such non-payment.

- (2) The notice shall name a further day (not earlier than the expiration of fourteen days from the date of the notice) on or before which the payment required by the notice is to be made and shall state that in the event of non-payment at or before the time and at the place appointed the shares in respect of which the call or instalment is unpaid will be liable to be forfeited.
- (3) If the requirements of any such notice as aforesaid are not complied with any share in respect of which the notice has been given may at any time thereafter before the payment required by the notice has been made be forfeited by a resolution of the Directors to that effect.

The Directors may if necessary authorise some person to transfer a forfeited share to the purchaser thereof.
- (5) A record in the minute book of the Company to the effect that a share has been duly forfeited in pursuance of these Articles and stating the time when it was forfeited shall as against all persons claiming to be entitled to the share adversely to the forfeiture thereof be conclusive evidence of the facts therein stated and such record together with a certificate of proprietorship of the share under the Seal delivered to the purchaser or allottee thereof shall constitute a good title to the share and the new holder thereof shall be discharged from all calls made prior to such purchase or allotment and shall not be bound to see to the application of the purchase money nor shall his title to the share be affected by any past omission or irregularity relating to or connected with the proceedings in reference to the forfeiture re-allotment sale or other disposal of the share.
- (6) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares but shall notwithstanding remain liable to pay to the Company all moneys which at the date of the forfeiture were presently payable to the Company by him in respect of the shares.
- (7) The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a share becomes payable at a fixed time as if the same had been payable by virtue of a call duly made and notified.
- (8) Where the Company is entitled under any provisions of the Law or the rules made and practices instituted by the operator of any relevant system or under these Articles to dispose of, forfeit, enforce a lien or sell or otherwise procure the sale of any shares which are held in uncertificated form, such entitlement (to the extent permitted by the Regulations and the rules made and practices instituted by the operator of the relevant system) shall include the right to:
 - (a) request or require the deletion of any computer-based entries in the relevant system relating to the holding of such shares in uncertificated form; and/or
 - (b) require any holder of any uncertificated shares which are the subject of any exercise by the Company of any such entitlement, by notice in writing to the holder concerned, to change his holding of such uncertificated shares into certificated form within such period as may be specified in the notice, prior to completion of

any disposal, sale or transfer of such shares or direct the holder to take such steps, by instructions given by means of a relevant system or otherwise, as may be necessary to sell or transfer such shares; and/or

- (c) appoint any person to take such other steps, by instruction given by means of a relevant system or otherwise, in the name of the holder of such shares as may be required to effect or transfer of such shares and such steps shall be as effective as if they had been taken by the registered holder of the uncertificated shares concerned; and/or
- (d) transfer any uncertificated shares which are the subject of any exercise by the Company of any such entitlement by entering the name of the transferee in the Register in respect of that share as a transferred share; and/or
